

## Sponsorship Opportunities

The Rhode Island Business Competition, the largest community-sponsored competition in the Northeast, creates and fosters growth companies in Rhode Island that will increase local employment. The Competition is jointly supported by professional firms, banks and investors, colleges and universities, nonprofit organizations, service organizations, public agencies, individuals, and former competitors.

The Rhode Island Business Competition succeeds due to the efforts of many volunteers as well as the generous donation of direct grants and in-kind contributions that fund prizes and operating expenses.

The following support opportunities are available to Competition 2020 sponsors. Support levels may be achieved through direct funding, in-kind services, or a combination of both. All funds donated to the Rhode Island Business Competition, a 501(c)(3) corporation, are fully tax-deductible.
